Invitation to meet class
at New Haven, Aug. 26
1846.

New Haven, May 1st, 1846.

Dear Classmate,---

We write to remind you that twenty years have elapsed since we have separated from one another to enter upon the various pursuits of life. The coming commencement of 1846, is the time upon which we agreed to meet once more as a class. Many, alas! we can not see; others we fear may be necessarily kept from the meeting; but we earnestly entreat that you will, if possible, revisit the home of our youthful studies and early friendships. In case you can not be with us, we wish to hear from you by letter. Commencement will be on Thursday, August 20th.

We propose to meet on Wednesday afternoon preceding, at the Tontine.

Wm. A. Larned,
Wyllys Warner,
E. H. Bishop.
